

CONNECTING OUR MARITIME BUSINESSES TO THE WORLD

NBOC Membership Benefits

The Port of New Bedford is home to America's highest grossing commercial fishing industry. Today, it is also a leading hub for the U.S. Offshore Wind industry. As a nonprofit marine industry association dedicated to growing New Bedford and the surrounding region's ocean economy, 100 percent of your membership contribution will directly support the NBOC's efforts to support your business and create a thriving marine industry cluster.

Why join the New Bedford Ocean Cluster?

INDUSTRY SUPPORT

We help you understand the supply chain, get connected to resources, and stay up to date on industry news and trends.

VALUABLE CONNECTIONS

We facilitate connections to supply chain partners and resources across our pillars to support your business and expand your network.

NETWORKING & EVENTS

We organize industry events to share information, showcase your company, and facilitate networking and partnerships.
